Conclusion

- At this point we can not make a conclusion.
- For a in depth look we need to investigated:
  - Who are the victims?
    - Locals
    - Tourists
    - Age of the victims
      - Older people
      - Younger people
  - Investigate the police databank to look who is responsible and where do they live
  - Doing a neighborhood investigation
    - Social status
    -
  - ...
